

SALUTE TO PHYSICIANS

TENET FLORIDA PHYSICIAN SERVICES, BOCA RATON

Jonathan Hersch, MD, FAAOS

Jonathan Hersch, M.D., FAAOS, is a highly experienced orthopaedic surgeon committed to keeping his patients on the move. He serves as the medical director of the Delray Beach Open, volunteering his time to ensure the health of the athletes, officials and fans of the matches. Dr. Hersch is dedicated to providing experienced care to his patients at his Tenet Florida Physician Services office in Boca Raton. He specializes in orthopaedic care for adults as well as adolescents including shoulder, elbow and knee surgery, sports medicine, arthroscopy, fracture care and hip arthroscopy. Dr. Hersch continues to focus on advancing treatment options available for orthopaedic injuries and diseases. He has conducted clinical research focusing on knee injuries whereby the patient's own cells are used to repair the damage to the knee. Dr. Hersch is committed to team work and is devoted to helping his patients cross the finish line.
